

A large offshore oil rig is shown at sea during twilight. The rig is illuminated with warm lights, and its complex structure of steel beams, ladders, and cranes is visible against a dark, cloudy sky. The sea is dark with some whitecaps. The rig is supported by several legs extending into the water.

# Azerbaijan and the Southern Gas Corridor to Europe

Implications for U.S. and European Energy Security

Conference Report  
September 13, 2013
